Features: Can be mounted directly on a wall or ceiling. Convex mirrors come with our advanced mounting hardware kit for easy installation.

Specifications: Made from shatter resistant acrylic or glass.

Acrylic: Our most popular mirror, shatter resistant, excellent clarity. Made of a lightweight material that offers superb reflection, similar to that of mirrored glass.

Glass: Excellent clarity, will not scratch easily. Easy to clean, wet or dry and is unaffected by most cleaning chemicals.

Backing: Indoor models have high gloss white hardboard backing.
